WHITMORE LAKE, MI OCTOBER 19-21, 2012

PRESENTED BY DETROIT REGION SCCA

LETTERS OF INTENT – FRIDAY, OCTOBER 19, 2012 – COURSE RALLY

This rally will be run in an area between Ann Arbor and Jackson in Southeast Michigan. Most of the rally will be run north of Interstate 94. Unlike previous Detroit Region Rallies from recent years the competitors on this rally will sometimes be expected to figure out the proper route to take based on information provided in the general instructions given out before the rally and the route instructions. Both paved and unpaved roads will be used. It is anticipated that all controls will be open controls.

CAST IN STONE – SATURDAY, OCTOBER 20, 2012 – TOUR RALLY

This rally will be run in an area between Ann Arbor and Jackson in Southeast Michigan. Most of the rally will be run north of Interstate 94. This rally will be the type of rally that Detroit Region and Great Lakes Division competitors are accustomed to. Like the previous three years, this will be a single CAST rally. Pauses, gains, and transit zones will be used where the chosen CAST is not appropriate. Both paved and unpaved roads will be used. It is anticipated that all controls will be open controls.

RIVALS – SUNDAY, OCTOBER 21, 2012 – GTA RALLY

This rally will be run in an area between Ann Arbor and Jackson in Southeast Michigan. Unlike the other two rallies approximately half of this rally will run north of Interstate 94 and half will be run south of Interstate 94. For this rally the contestants will be expected to calculate point totals based on information given in the route instructions and things observed along the route. The calculated point totals for each leg will be turned in by the contestants to the checkpoint workers at each open control. Both paved and unpaved roads will be used. It is anticipated that all controls will be open controls.
